As regards Dr Sanjiva Rao it will be possible to put him in the Grade Rs 400-30-700 as soon as Dr Ustes' resignation comes into effect i.e. 31st Dec 1926 and meanwhile in their letter of the 15th Dec 1926 they have sent up proposals in that connection which applies to this case also.

As regards Dr Subba Rao he is now having an allowance of Rs 150 for teaching Physiology. The cost will be considerably increased by having a full-time Professor. But this cannot be helped. from the date of his return from England, until the occurrence of a permanent vacancy amongst the Junior Professors in which he can be absorbed. The University Council have recommended that he may be given the maximum pay of the grade (200-20-300) during Mr. Usher's leave. Dr. Sanjiva Rao was an Assistant Professor of Chemistry, when he was given a foreign scholarship to specialise in Chemical Engineering. He has returned after a distinguished career. It is therefore necessary to show some consideration to him.

4. Dr. A. Subba Rao has been specially trained in Physiology, and has come back after obtaining the D.Sc., degree in the London University. It is necessary to appoint a Professor of Physiology for the Medical College, and he has been specially trained for that appointment. The University Council have recommended that he may be started on Rs.520 in the grade 400-30-700. I do not consider it correct in principle to fix the salaries of any appointments with reference to the qualifications of a particular individual. Dr. Subba Rao was first given a loan scholarship and subsequently a Damodar Doss Scholarship in order to qualify himself for this appointment. If the post of Physiology had not been created, it may not have been possible for him to obtain even Rs.400, the salary now proposed. Before he went to England, his salary was only Rs.105. So the Council are not in favour of giving him anything more than Rs.400.

5. In this connection, the University Council have also recommended that Dr. Krishna Iyengar may be put in the grade 400-30-700. This is on the assumption that the other officers, referred to who have obtained Doctorate degrees, would be put in those grades. Dr. Krishna Iyengar's emoluments were fixed after careful consideration of all aspects of the case. It is not necessary, therefore, to take up his case again for consideration.

A.

The matter was considered in Council who have resolved as follows:-

"Dr. B. Sanjiva Rao may be given the maximum pay of his grade viz., Rs.300 from the date he joined duty at the Central College on his return from England till the expiry of Dr. Usher's leave. His pay may be fixed at Rs.400 thereafter.

Professor M. G. Srinivasa Rao may be given two advance increments and he will remain for the present in his present grade.

The pay of Dr. A. Subba Rao may be fixed at Rs.400 from the date of his reporting himself to the University".

The Resolution of the Council may be graciously approved

The intention seems to be to promote Dr. Sanjiva Rao as Professor on a fixed pay of Rs 400 (instead of the grade pay recommended by the Univ.), and to count his post against that held by Dr. Usher.

Dr. Sanjiva Rao's designation will be Prof of Chemistry but his pay will be only Rs 400 instead of the grade 400-30-700 allowed to Professors, 2nd Grad. His appointt will count against a Vacancy in the higher grade 500-50-1000 vice Mr. Usher. Resigned.

The letter from the University is full and self-contained.

The proposals now for orders are :—

(i) Mr. M. G. Srinivasa Rao to be appointed to grade 500-1000 with a starting pay of Rs 600 (instead of Rs. 640 in 400-700 already sanctioned)

(ii) Mr. N. Venkatanarasimhachar to continue ag. Asst. Professor on Rs. 175, vice Mr. C. Srikantia from 1-9-26 to 2nd Dec. 26 and to continue as Temp. Asst. Professor on Rs 175 thereafter vice Mr. Sanjiva Rao, promoted.

(iii) Mr. N. Ramaswamiyer to continue as ag. Lecturer from 1.9.26 to 2.12.26 and thereafter as temporary lecturer, vice Mr. Venkatanarasimhachar.

Re (i), the Vice-chancellor repeats the former recommendation of the University, which was not accepted by Govt, for reconsideration.

Re (ii) & (iii), the statement in the first para of the letter that the G.O. already passed has the effect of ~~the~~ reducing the teaching staff of the Chemistry does not appear to be correct. ~~as no such reduction was~~ The Govt. order confined itself to the recommendations of the University Council for which sanction was solicited in the Registrar's letter No 9758 d. 1-12-26. Kind reference is invited to the ~~note~~ marginal notes on the previous page. The University Office seems to be labouring under a misconception. There is no idea whatsoever to reduce the staff for the Chemistry Dept but only the vacant place in the first grade of Professors on Rs 500-1000 is not proposed to be filled up. There will of course, be no place on Rs 400 in which Dr Sanjiva Rao could be absorbed but his appointment will be counted against the vacancy in grade Rs 500-50-1000.

As a compensation for the loss of [prospects] & the additional responsibility devolving on him, he was given two advance increments in his present grade. The Vice-Chancellor wants the position to be reconsidered & Shri Srinivasa Rao promoted as first grade Professor (500-50-1000). Whether the arguments advanced by him are weighty enough to reopen the question is a point for consideration.

The other consequential arrangements referred to, are in order & may therefore be sanctioned.

After mature consideration it was decided that it was not necessary to fill up the additional post in the grade Rs 500-50-1000 and to create an addl post of Rs 400 as against it and to give the Srinivasa Rao two advance increments in view of the increased responsibility. It is not clear how it would matter on what basis the pay of the Professor is fixed so far as the Govt is concerned. There does not seem to be sufficient justification to reconsider the order in regard to

1) That two years ago when the Government asked me to take up Physiology, my Thesis for the D.Sc., degree of London University had been approved and with that qualification I could have made a beginning in life with a high starting salary and during these two years I would have earned my increments in the grade and also could have liquidated a portion of my debts, and in all other ways been better off. Therefore any pay and prospects offered to me now should not place me in a worse situation than I would have been in if I had started off without 2 extra years of work in London (with an additional degree in Physiology).

2) That the Government were pleased to ask me to qualify myself for a Professorship in Physiology because of my advanced study and research in Zoology, an allied subject. My loan was used for the purpose of acquiring that previous experience and qualification which has to be considered as really part of my equipment for work in Physiology, it stands to reason that the loan should be excused.

3) That in no University or Medical College the pay of a whole time Professor of Physiology is so low as I understand is proposed here. An instance to the point; Dr. Cruickshank - Professor of Physiology, Patna, is now receiving Rs.1,250/- a month, we were Colleagues in the same Laboratory andwe have also under publication 2 joint papers, one of them read at the International Congress of Physiology, Stockholm, 1926. Dr. Cruickshank joined duty about three months ago.

4) That I have obtained the highest qualifications in the London University whose examinations are by common consent

consent considered the most difficult. Further I have done considerable amount of research work most of which has been published after being approved by the learned Socities of London.

5) That for the reasons stated above it may be conceded that my request for the grade of Rs.500-50-1,000, is a very modest one.

Letter No.268 dated the 1st September 1926 from the Principal, Central College, Bangalore, to the Offg: Registrar, Mysore University, Mysore.

I have the honour to inform you that Mr.B.Sanjiva Rao reported for duty on the forenoon of to-day.

I have made the following provisional modifications in the arrangements in the Chemistry Department during the further absence of Dr:Usher on leave.

For reference I mention below the personnel of the permanent staff.

1. Dr.F.L.Usher, (Now on leave).
2. Mr.H.G.Srinivasa Rao, Professor of Organic Chemistry.
3. Mr. C.Srikantia, Asst: Prof: of Chemistry.
4. Mr. B.Sanjiva Rao, -DO-
5. Mr. M.Seshaiengar, -DO-
6. Mr. N.Venkatanarasimhachar, Lecturer, Acting Asst: Prof: of Chemistry.
7. Mr. H.Subba Jois, Lecturer.
8. Mr. P.N.Krishnaswami, Lecturer.

The modified acting arrangements I now propose and have provisionally made, are as follows:-

Temporary during Dr: Usher's absence on furlough.-

1. Prof:H.G.Srinivasa Rao, Professor of Organic Chemistry (in charge).
2. Mr. B.Sanjiva Rao, Acting for Prof: H.G.Srinivasa Rao.
3. Mr.C.Srikantia, Assistant Professor (substantive)
4. Mr.M.Seshiengar, Assistant Professor (substantive)
5. Mr.N.Venkatanarasimhachar, Asst:Prof: acting for Mr.B.Sanjiva Rao
6. Mr. H.Subba Jois, Lecturer (substantive)
7. Mr.P.N.Krishnaswami, Lecturer (substantive) temporary
8. Mr.H.Ramaswamiengar, Lecturer acting for Mr.N.Venkatanarasimhachar.

The arrangement proposed in relation to Nos.- 5 and 8 has been in existence for two years during Mr.Sanjiva Rao's absence. The work has been carried on satisfactorily under this arrangement and I strongly recommend that it be continued.

This proposal, it will be seen, involves the continuance of Mr. H.Ramaswamiengar in the last place: and this requires very early sanction. In view of the need for the eighth hand I have not relieved Mr.H.Ramaswamiengar. I request that this action may be approved.

In this connection I have the honour to recommend that Mr.Sanjiva Rao be appointed as Professor of Physical Chemistry in the grade Rs.400-30-700. I understand that he has satisfied the examiners as regards his fitness for the degree of Ph.D.(Lond) and that an official announcement will shortly issue. I enclose a D.O. letter from Prof: H.G.Srinivasa Rao, in original, in support.

Sir,

In continuation of this Office letter No. 9030 dated the 12th Nov. 1926 in the matter of the posting of Dr. A.Subba Rao to the Medical College as Professor of Physiology pending orders of Government regarding his pay and status, I am directed to state that the question regarding the pay and status of Dr.A.Subba Rao, Dr. B.Sanjiva Rao and Dr.M.H.Krishniengar was considered by the University Council at their meeting held on the 27th November 1926 when it was resolved that Drs. A.Subba Rao, B.Sanjiva Rao, and M.H.Krishniengar be designated as Professors and recommended for the grade Rs.400-30-700, Dr. Subba Rao being given four increments in advance in that grade.

In regard to Dr. Sanjiva Rao, I am to invite kind reference to this Office letter No. 9758 dated the 1-12-1926 recommending his appointment as Professor in the grade 400-30-700 in connection with the arrangements to fill up the place of Dr. Usher in the Central College.

In view of the high qualifications and the special

special training of the Officers concerned, the Council is strongly of opinion that they should each be appointed Professor in grade 400-30-700, Dr. A.Subba Rao being however started in that grade on an initial pay of Rs.520/- per mensem with effect from the date he joined duty in the Medical College Viz., 13th November 1926.

The cost during the current year in the case of Dr.A. Subba Rao will be met from savings in the provision for the Principal's pay in the Medical College Budget and that in the case of Dr. B.Sanjiva Rao from savings in the provision for the pay of Dr. Usher while the cost on account of Dr. M.H. Krishniengar's pay will be met from savings requisite provision in each case being included in the respective budgets from next year.

Chief Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

Adverting to Government Order No.1984-5/C.B.168-25, dated the 27th December 1926, directing, ~~current~~ arrangements on the Professorial staff of the Chemistry Department in the Central College, that the vacancy in grade 500-50-1000 due to the resignation of Dr.Usher need not be filled up, I am directed by the Vice-Chancellor to bring to the kind notice of Government that, in the absence of an additional post on Rs.400/- per mensem to correspond to Dr. Sanjiva Rao's appointment on that pay, the effect of the present Government Order would be to reduce the strength of the teaching staff for the Chemistry Department which in the interests of efficiency is hardly possible, the present strength (vide margin) being the minimum required to meet the needs of the Department in respect of teaching.

2. Professors (500-50-1000); (400-30-700)
Asst.Professors 3 (200-20-300)
Lecturers 2 (100-10-150)
Lecturer 1 (100) additional appointment sanctioned in 1924-25 (G.O. dated 10th November 1924

I am to add that the Vice-Chancellor is accordingly strongly of opinion that, while on account only of the importance and highly ~~xxxx~~ scientific nature of the subject (apart from the prestige) it is absolutely essential that a Professor of the 1st grade 500-50-1000 should be in charge

charge of the Department, Mr. M.G.Srinivasa Rao can not be denied the promotion which he has well earned and which is justly due to him in view of his long service (18½ years), experience, efficient work as Professor, original research work of recognized merit, enthusiastic co-operation in various other activities connected with the University and in view also of the fact that he is at the top of the list of Professors in grade 400-30-700 and has also acted in the higher grade 500-50-1000.

In view of the above circumstances, the Vice-Chancellor urges with strong recommendation that with effect from the date of Dr Usher's resignation viz. 3rd December 1926 (vide copy of resignation enclosed),

(1) Mr. M.G.Srinivasa Rao be appointed to the grade 500-50-1000, to be in charge of the Chemistry department with a starting pay of Rs.600/- per mensem in that grade ; and

(2) Dr.B.Sanjiva Rao be appointed Professor on Rs.400/ per mensem (according to the present Government order) against the grade 400-30-700 to become available by Mr.M.G.Srinivasa Rao's promotion to the higher grade.

(on the basis of the University Council resolution dated the 27th November 1926) other seriatim arrangements being made to fill up the Assistant Professhorship held by Dr.Sanjiva Rao both during and after the expiry of Dr.Usher's leave.

Accordingly the arrangements in and the personnel of the Chemistry staff in the Central College during Dr.Usher's leave and from date of his resignation will be as indicated below.-

Posts as per scale now sanctioned.	(A) Arrangements. During Dr.Usher's leave (from 1-7-26 to 2-12-26 inclusive).	(B) From date of Dr.Usher resignation viz. from 3rd Dec.26 and onward

No.E.4054-6/Edn.7-24-74, dated 16th January 1925) on a starting pay of Rs.130/- per mensem ~~gx~~ in grade 100-10-150 from 18th Dec.24 (G.O.No.E.6208-9/Edn.47-25-19 dated 15th May 1926) to continue Ag.Lecturer from 1st September 1926 vice Mr. Venkatanarasimhachar (vide this Office letter No. 11329 of 31st December 1926)	Mr.H.Ramaswamiengar to continue temporary Lecturer in the grade vice Mr.Venkatanarasimh char.
H.K. (in lieu of L.L) 1 on Rs.100(Tempy) Mr.P.N.Krishnaswami	Mr.P.N.Krishnaswami	Mr.P.N.Krishnaswami

The items of arrangements under (A) (during the period of Dr.Usher's leave) are all according to the existing orders (vide orders noted in respectee to each), except the continuance of Messrs. Venkatanarasimhachar and

and Ramaswamiengar as Acting Assistant Professor and Acting Lecturer respectively on their respective salaries from 1st September 1926. These are merely the consequential arrangements necessitated by the absence of Dr.Usher synchronous with the return of Dr.Sanjiva Rao which may kindly be sanctioned now, and for which sanction was requested in this Office letter No.7833, dated 30th October 1926.

(7 L-2 in linked file)

The items respecting Messrs. C.Srikantia, M.Seshienga H.Subba Jois ~~kkx~~ and P.N.Krishnaswami under (b) and the last three under (A) do not involve any fresh arrangements requiring sanction but they are also shown above with a view to set forth the complete staff and the chain of arrangements.

The proposals on behalf of Messrs.Venkatanarasimhacha and Ramaswamiengar involve only the continuance of the same arrangements as had been sanctioned during the absence of Dr. Sanjiva Rao and are against clear vacancies (vacancy of Mr. C.Srikantia from 1st September 1926 to 2nd December 1926 and afterwards the vacancy due to Dr.Sanjiva Rao's promotion).

A pay of Rs.400/- per mensem only has been proposed to Dr.Sanjiva Rao from 3rd December 1926 in accordance with the present Government Order.

In respect to Mr.M.G.Srinivasa Rao also, a starting pay of Rs.600/- in grade 500-50-1000 from the 3rd December 1926 has been proposed as against Rs.640/- in his present grade of 400-30-700 now sanctioned to him in the Government Order under advertance.

I am to add that all the above arrangements are in accordance not only with the several recommendations of the Principal, Central College, but also with the views of the University Council in the matter and in the opinion of the Vice-Chancellor they are absolutely necessary to maintain continued efficiency of work in the Department.

I am accordingly to request that you will be so good as to obtain kind sanction of Government to the above recommendations at an early date.

I am to add that the extra cost in this connection during the current year will be met from savings under salary due to Dr.Usher's resignation, requisite provision according to the proposals in each case being included in the next year's budget.

I have the honour to tender the resignation of my appointment as Professor of Chemistry in the University, as from the 3rd December 1926. A proposal to grant an increment of progressive pay in advance of the due date, should always be scrutinised with special jealousy: it is contrary to the principle of progressive pay to grant an increment before it is due, and such a grant should not be recommended or allowed, except under circumstances which should justify a personal allowance to an officer whose pay is fixed, - that is to say, seldom if ever. Such increments in advance can be allowed only under the ---- special orders of Government in each case.
